Hi,

I was wondering if you could include a notice of my mums death in the Parish Magazine for me. Mum was Eileen Hocking (nee Truran) and was for many years, from the late 1980s onwards on the PCC of St Elwyn's. She was very active in St Elwyn's and used her incredible needlework skills to make a number of altar frontals and vestments for the church. Mum and Dad ran a B & B on Lethlean Towans for a number of years on their return home to Cornwall in 1987, she was president of Hayle WI, and they were both members of the Hayle U3A.

They left their beloved home county of Cornwall in 2012 and moved up to Newport in South Wales in 2012 to live with my husband and I to help look after my father who had been diagnosed with Dementia. He passed away in 2018 and mum passed away peacefully on Mothering Sunday aged 94. (23/12/1929 - 10/03/2024)

I have found a number of photos of the vestments etc that she made for the church and would be happy to post them back to you, or we will be coming to Hayle sometime in the next year to scatter her ashes on the Towans and could drop them off if you would like them.

Many thanks

Kathryn Garner
